DESCRIPTION

"Take the future by surprise" is its core formula – a mission amply completed. The Pershing 64 flaunts an aggressive streamlined profile highlighted by one-piece continuous side windows. A magnificent impression of space prevails inside, underscored by the versatile lounge that with the cockpit creates a single area featuring two distinct environments. Performance is as ever the central feature with a maximum speed of over 46 knots. Dedicated to those who know not the meaning of compromise, not even at sea.
